You grant PwC and/or Partner a non-exclusive, royalty-free, worldwide, and perpetual license to use, store, process, and analyze your User Content for the purposes of providing, improving, and developing the Application, and/or the Stories, and/or the Reports, and for any other purposes that you may consent to. You also consent to PwC and Partner sharing your User Content and the Reports with each other, and with the Customer and any other parties that may be involved in the delivery or evaluation of the Application, the Stories, or the Reports.

You are not permitted to copy, modify, distribute, or make any other use of the Application, Stories, or any content, data, information, or materials provided or generated by or through the Application, except as explicitly allowed by these Terms or expressly authorized by PwC or Partner. Further, you agree not to create screenshots, recordings, transcripts, or any other forms of reproduction of the Application, Stories or other content, data, information, or materials, without securing our prior written approval. You agree not to engage in reverse engineering, decompiling, disassembling, or any other form of exploitation of the Application, in whole or in part, without obtaining prior written consent.
